New York University, Washington Square, New York, NY

PROFESSIONAL EXPERIENCE:

- 1993 - Present **Founder and Director**
Psychological Services, P.C.
A private psychological counseling service in Saratoga Springs and
Clifton Park, New York
- Developed, staffed and supervise a multidisciplinary, multi-site
group practice providing assessment and treatment services to
children, adolescents and families. Specialty services include
comprehensive custody evaluations, expert witness in court matters
related to complex issues of diagnosis and competence as it relates
to custody and parenting matters, treatment of chemical
dependency, eating disorders, trauma disorders and adoption-
related issues.
- July, 2012 - Present **Director of Professional Affairs**
New York State Psychological Association
- Develop strategies that empower psychologists in their relationship
with the political, business and regulatory organizations that affect
their practice and research activities. Help plan and provide testimony
on issues before committees of the New York Assembly and Senate,
and the Board of Psychology, or other regulatory boards in
accordance with the positions adopted by NYSPA. Liaison to other
professional associations, government agencies, managed care
companies and the media to move our agenda forward and serve our
members.

1991 - 1997

Clinical Director**Warren-Washington Association for Mental Health**

Hudson Falls, New York 12839

This is a not for profit, OMH licensed community based agency. Responsibilities included the overall clinical operation of Caleo Centre, the outpatient clinic of the association; the housing program of group homes and apartments for chronically mentally ill adults; the case management program and the social club program. Developed and supervised a forensic unit with specialty programs including a juvenile sex offenders program, clinical services to the Warren and Washington county jails and comprehensive child custody evaluations.

1989 - 1993

Director

The Center for Psychotherapy

Clifton Park, New York

Developed and staffed a multidisciplinary group private practice providing services in a broad range of areas including sleep disorders, eating disorders, personality disorders, post traumatic stress disorder, and adoption related issues. Various modalities of treatment are offered to individuals, couples and families.

1988 - 1990

Chief of Psychology

Conifer Park

Scotia, New York

Responsibilities included the administrative and clinical functioning of the psychology department in a 225-bed alcohol and chemical dependency treatment facility. Specific duties included directing the activities and providing supervision for doctoral and masters level psychologists, chairing an interdisciplinary facility-wide patient care monitoring committee which assesses clinical treatment for the dual diagnosis patient, and developing new structures and policies for an increasingly diverse patient population.

1977 - 1988

Brooklyn Center for Psychotherapy

Brooklyn, New York

Clinical Director (1985-1988)

Brooklyn Center for Psychotherapy

On-Site Mental Health Program

Responsibilities included structuring, staffing and supervising the delivery of clinical services at designated public schools within District 17 as part of a larger, city-wide program sponsored by the New York City Department of Mental Health, Mental Retardation and Alcoholism Services in collaboration with the Division of Special Education of the New York City Board of Education. Specific duties included directing activities of a multidisciplinary staff of social workers, psychologists and psychiatrists, conducting case conferences, supervising the psychotherapy of children and their families, visiting school sites, approving treatment settings, establishing cooperative relations with school personnel, and speaking at school conferences.

Director of Clinical Services (1987 – 1988)

New Directions, Alcohol Treatment Program

A division of the Brooklyn Center for Psychotherapy

Responsibilities included the development, structuring, staffing and clinical supervision of an innovative outpatient alcohol treatment program licensed by the New York State Division of Alcoholism and Alcohol Abuse. Specific duties included directing the clinical activities of an interdisciplinary staff, directing case conferences, conducting in-service training and utilization review and developing new organizational structures and policies with respect to the evolving needs of the program.

Supervising Psychologist (1984 – 1988)

Brooklyn Center for Psychotherapy

Individual and group supervision of social workers and psychologists engaged in ongoing psychotherapeutic work.

Psychologist (1977 – 1985)

Brooklyn Center for Psychotherapy

Psychotherapy with individuals and families, focusing primarily on personality disorders and problems related to alcoholism and drug abuse.

1977 - 1988

Staff Psychologist

Interfaith Medical Center

Department of Psychiatry, Center for Mental Health

Brooklyn New York 11238

Staff psychologist in a multidisciplinary outpatient clinic. Responsibilities included psychodiagnostic assessments and

dynamically oriented psychotherapy with adults and children, short and long term treatment with a multiracial population, supervision and in-service training of psychology interns. Developed and directed a community based adolescent program aimed at curtailing teenage pregnancy. Conducted group therapy with a retarded adult population.

1976 - 1977

Internship

Brooklyn Jewish Hospital and Medical Center
Department of Adult and Child Psychiatry
Brooklyn, New York 11238

1974 - 1976

Director of Student Activities

Baruch College
City University of New York
New York, New York 10010

Administrative responsibility for the co-curriculum life at the college for 8,000 day session students. Organized and conducted leadership, problem solving, and values clarification programs for some 80 student organizations including student government, religious and cultural clubs, peer counseling programs, academic associations and student publications. Supervision and training of the professional student activities staff
